

*SR NOELLE'S VISIT TO RUMBEEK - NOVEMBER 2012*

Srs. Orla, Kathleen & Margo (Holy Faith Sister Working with Solidarity South Sudan) with the trainee teachers, at the end of Phase 2 of their training programme.

At Mass on Sunday 22 girls received the Sacrament of Confirmation. They were prepared by Sr Anne Farren and the celebration was full of music, dance and joy!

In the afternoon the Entertainment Club entertained teachers, visitors and other students with modern dance and plays.

Visiting the Primary School was another occasion of song and fun! There are over 250 students attending the school. The school was closed following violent outbreaks in the local Cattle Camp but the next day teachers and some students turned up. One little boy was on the way to hospital with his father and when he saw the school open he cried to go back to school that day.

The girls from the Secondary School gather under another Lulu tree for their Assembly. Following a ceremony to raise the flags they have morning prayers and announcements every Monday and Friday morning.

Another sign of hope, a beautiful flower, planted by Sr Anne Mary Murphy, adds colour and beauty to the convent garden!
